Fig. 17

Dotted Half note

3 beats long

The first thing to note here is the time signature. It tells you there are 3 beats to the bar (see page 14) and therefore only three clicks at the beginning of the track. Also there's a new note for you to learn; the dotted half note. A dot after a note increases its value by half. In other words the half note is 2 beats long (Fig. 16) but the dotted half note is 3 beats long (Fig. 17).

Additional Lyrics

2. She's got eyes of the bluest skies,
As if they thought of rain.
I'd hate to look into those eyes and see an ounce of pain.
Her hair reminds me of a warm safe place
Where as a child I'd hide,
And pray for the thunder and the rain to quietly pass me by.
